# DIGITAL SUPPORT PROGRAMS.

Conferences, Workshops, Short Courses

GOLD COAST  
HOSPITAL  
FOUNDATION

# STANDARD PLAN

A standard support program for ticketed events and courses that doesn't require a front facing digital landing page presence.

MAY 2026 |

## Ticket Platform

Max of 1 ticket link with multiple price points.

Hidden discount function.

Customised data capture.

Display event image.

## Reporting

Report includes all data captured.

Weekly sales update.

Online live link to sales report.

## Financial Management

Funds held in a secure bank account.

Expenses paid from account for event reimbursements and invoices.

Monthly balance of funds report

The screenshot displays a web interface for a ticketing platform. At the top, there is a photograph of a person's hands using a stethoscope. Below this, the 'Items for sale' section lists two sessions: 'Session #2 1pm-5.30pm GCHHS staff x \$300.00 = \$0.00' and 'Session #2 1pm-5.30pm NON staff x \$600.00 = \$0.00', with a 'Total Amount Payable = \$0.00'. To the right, a map shows the location of the 'Anaesthetic Department Tutorial Room' at GCUH, 1 Hospital Boulevard, Southport, QLD 4215, on Saturday, July 25, 2026, from 7:30 AM to 5:30 PM. Below the map is a contact form with fields for First Name, Last Name, Email, Mobile Phone, and Institution / Facility, along with a 'GCHHS Staff ID' field. A 'Contact Us' section provides the contact details for Patrick Glover: 0432195252, patrick.glover@health.qld.gov.au, and 1 Hospital Boulevard, Southport, QLD 4215. A 'Calendar' button is also present.

The screenshot shows a financial management spreadsheet with multiple columns. The columns include 'Date', 'Description', 'Amount', 'Balance', 'Category', 'Status', and 'Account'. The data rows list various transactions, such as '2025/07/25', '2025/07/26', '2025/07/27', etc., with corresponding amounts and descriptions. The spreadsheet is displayed in a standard grid format with a toolbar at the top.

# PREMIUM PLAN

A high level support program for ticketed events and courses including front facing digital landing page presence.

MAY 2026 |

## Landing Page

Online 1 page presence including:

- Featured event content.
- Video content
- Hyperlinked to external resources.
- Ticket link

The 2025 Clinical Research Skills Workshop

Research activities in a tertiary university hospital are part of the health service's strategic plan and can ultimately improve patient care. In keeping with this strategy, this workshop is designed for anaesthetic and intensive care departments at Gold Coast University Hospital to improve research opportunities for clinicians.

This is a one-day event being held on Friday 25th July, 2025. Your Course Convenors are Dr Rachel Bourke and Dr Kerina Davine.

**Professor Paul Myles**  
Professor Myles is Chair of the Department of Anaesthesiology and Postoperative Medicine at Monash University, and Director of Research in the Department of Anaesthesiology and Perioperative Medicine at the Alfred Hospital in Melbourne.

**Professor Bala Venkatesh**  
Over a 20-year career, Professor Bala Venkatesh has played a major role in the development and establishment of academic intensive care medicine in Australia through outstanding contributions to education and research.

**Dr Paulina Stehlik**  
Paulina is an experienced researcher and academic. She has a special interest in clinician engagement in research and evidence-based practice and leads the ENHANCE project, a program of work aiming to improve the research training of medical specialists.

**Professor Andrea Marshall**  
Professor Marshall is an experienced clinician and academic, whose research interests are focused on the areas of nutrition, intensive care nursing practice, and person-centred care.

**A/Professor Mark Jones**  
Mark Jones is an Associate Professor of Biostatistics at the Institute for Evidence-Based Healthcare, Bond University and Coordinating Editor of the Cochrane Acute Respiratory Infections Group.

**Professor Gerben Keijzers**  
Professor Keijzers' research revolves around topics relevant to clinical practice in critical care, with a special interest in sepsis, appropriateness of antibiotic use and respiratory medicine.

Financial Management	Financial Management	max of 10 reimbursements p/ event. \$150 per reimbursement thereafter.
	Online Landing Page	max 10 build revisions. \$100 per revision thereafter.
<b>\$1,250 + gst</b>	<b>\$2,000 + gst</b>	

Each event/course/conference/symposium constitutes one (1) plan and will be charged accordingly.

One (1) plan cannot be used across multiple events/courses/conferences/symposiums.

Income and surplus funds generated from event/course/conference/symposiums and held by GCHF will be subject to agreed terms in an MOU.

GCHF will only process payments where, sufficient funds are available, invoices are issued to Gold Coast Hospital Foundation; and supporting documentation, including receipts or invoices, are submitted through the approved reimbursement process.

GCHF reserves the right to decline or withhold payment where an expense is considered unrelated to the event, unreasonable, unlawful, unethical, or unsupported by appropriate documentation.

Funds held must be acquitted in the same financial year as generated. Funds held past that period will be subject to an administration fee of a min \$500 and new acquittal terms negotiated.

The Client is responsible for all event marketing, promotion, sponsorship procurement, speaker coordination, and attendee communications.

The Client agrees to pay GCHF the applicable plan fee.

Any costs or services not expressly mentioned in the digital support program remain the sole responsibility of the Client.

To the fullest extent permitted by law, GCHF will not be liable for any loss, damage, delay, cancellation, or claim arising from or connected with the planning, management, or delivery of the digital support plan.
